I do not think that being stamped **CANCELLED** in 10 mm. purple Roman letters rates a separate catalogue listing. These strips are voided remnants. All of the above strips are so stamped, and I have ignored this detail.

The collection ***does not contain*** a copy of **RT-170** - the **1/2 lb.** Gothic overprint of the *perforated* two pound Trois-Rivieres Division strip lithographed in green ink on **RT-57a** - the *unwatermarked* horizontal mesh wove strip.
